

Care Cash aims to help Delaware small business members make healthier choices and save on care costs

Beginning Jan. 1, 2024, Care Cash[®] will be embedded in all small business (2-50) fully insured non-HSA plans in Delaware. For existing small business customers, Care Cash will be added to their plan design upon their 2024 renewal date.

Dec. 14, 2023

Beginning Jan. 1, 2024, Care Cash[®] will be embedded in all small business (2-50) fully insured non-HSA plans in Delaware. For existing small business customers, Care Cash will be added to their plan design upon their 2024 renewal date.

Care Cash helps employees pay towards cost sharing for certain eligible network health care expenses and encourages them to use quality care. This preloaded debit card can be used for:

- Visits to UnitedHealth Premium[®] primary care and specialist providers
- Network primary care visits
- 24/7 Virtual Visits
- Urgent care
- Outpatient behavioral health
- Network lab visits

With Care Cash

- Employees receive a preloaded debit card with \$200 per year for individual coverage or \$500 per year for family coverage
- The card is reloadable, with any remaining balance rolling over each plan year toward a \$2,000 maximum.
- New funds are loaded every plan year.

Care Cash provides a pre-loaded debit card which can be used for certain health care expenses. If the card is used for ineligible 213(d) expenses, individuals may incur tax obligations and should consult an appropriate tax professional to determine if they have such obligations. The information provided in connection with Care Cash is for general informational purposes only and is not intended to be nor should be construed as medical advice. Individuals should consult an appropriate health care professional to determine what may be right for them.
