

Ready for a health plan built for simplicity?

UnitedHealthcare Utah Options PPO plans are designed to be simpler, teaming up with all major hospital systems in the state.

Open access network that puts members at the center of their care decisions

This consumer-driven plan is truly member-focused. Members are no longer required to select a provider during open enrollment. They have access to our full provider network and can seek care when and wherever they need it.

Simpler, one-stop support with cost and coverage information at your fingertips

Members get the most out of their benefits on myuhc.com[®] and the UnitedHealthcare[®] app. These digital tools are designed to help members make informed decisions about their care. With them, members may:

- Find care and compare costs for providers and services in the network
- Check plan balances, view claims and see their health plan ID card
- Access wellness programs and view clinical recommendations
- Connect to—and get prescriptions from—24/7 Virtual Visits, by phone or video
- View financial account(s) such as an HSA, FSA or HRA
- Compare prescription costs and order refills

Offering your employees a choice of quality providers

Nearly

15,700

providers

56

primary hospitals¹

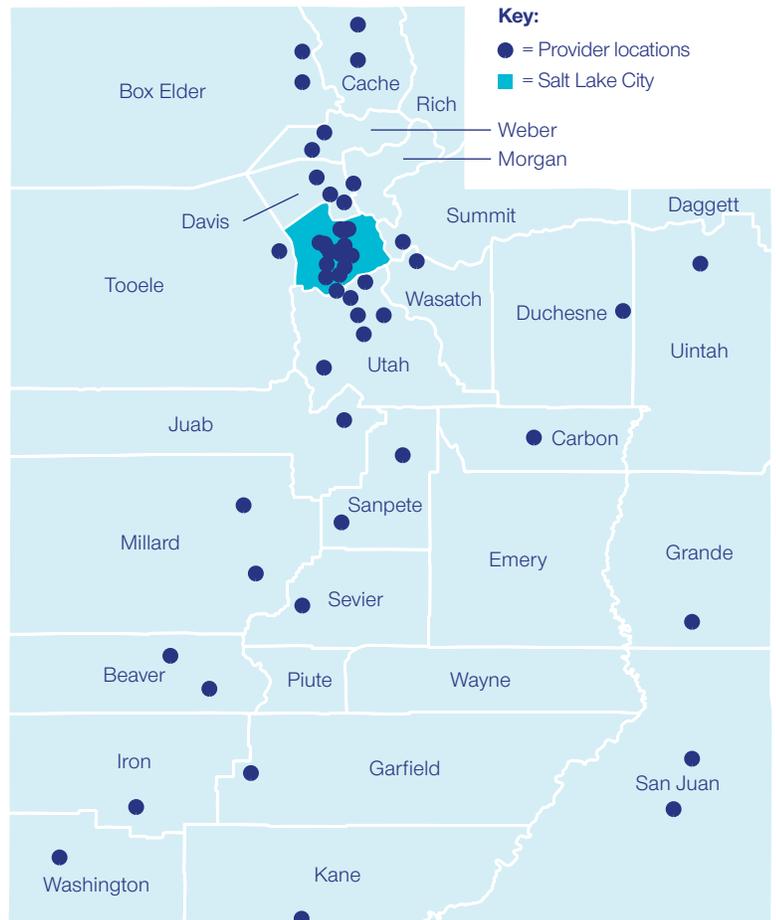

Helping keep Utah healthier with quality care, close to home

Discover access to quality care and lower costs from nearly 15,700 providers and 56 primary hospitals.¹ So, wherever an employee lives or works in Utah, there's likely easy access to care from a network provider.

A plan offering employees more choices

Options PPO includes our national network and Utah's largest local network. So even when employees are out of state or away from home, they can seek care from a contracted network provider, and medical services will be covered at the network benefit. This wide network—plus virtual care options for urgent care, primary care and behavioral health—offer employees convenient access to quality care and are included in these plans.

¹ There has been a change to the Utah Options PPO provider counts. Individual providers are counted 1 time, regardless of the number of specialties they are licensed for or number of locations they practice in. NDAR counts as of Q1, 2023. We update our directories periodically, but we cannot guarantee the length of participation of the physicians and other providers in our network. Please verify a doctor's participation status by calling Customer Service at the number on your health plan ID card or by visiting myuhc.com.

This policy has exclusions, limitations and terms under which the policy may be continued in force or discontinued. For costs and complete details of the coverage, contact your broker or UnitedHealthcare sales representative.

24/7 Virtual Visits is a service available with a Designated Virtual Network Provider via video, or audio-only where permitted under state law. Unless otherwise required, benefits are available only when services are delivered through a Designated Virtual Network Provider. 24/7 Virtual Visits are not intended to address emergency or life-threatening medical conditions and should not be used in those circumstances. Services may not be available at all times, or in all locations, or for all members. Check your benefit plan to determine if these services are available.

The UnitedHealthcare® app is available for download for iPhone® or Android®. iPhone is a registered trademark of Apple, Inc. Android is a registered trademark of Google LLC.

All UnitedHealthcare members can access a cost estimate online or on the mobile app. None of the cost estimates are intended to be a guarantee of your costs or benefits. Your actual costs may vary. When accessing a cost estimate, please refer to the Website or Mobile application terms of use under Find Care & Costs section.

Virtual primary care are services available with a provider via video, chat, email, or audio-only where permitted under state law. Virtual primary care services are only available if the provider is licensed in the state that the member is located at the time of the appointment. Virtual primary care is not intended to address emergency or life-threatening medical conditions and should not be used in those circumstances. Services may not be available at all times, or in all locations, or for all members. Certain prescriptions may not be available, and other restrictions may apply.

When you sign up for Virtual Behavioral Coaching, you will be asked a series of questions to ensure that this program is the right fit for you. You may be directed to another resource if your answers indicate that a different type of program may better suit your needs.
